

LAB LINE ENTERPRISES

A HOUSE OF RUBBER CHEMICALS AND SOLVENTS

Plot No. 4/9, FBD Industrial Park, Western Extension Industrial Area, (Near NIT - 2 FCI Godown) N.I.T. Faridabad - 121001.

About Us

We
are
trustworthy.

We
worship
our clients.

We
deliver
consistently.

WE
believe in succeeding
TOGETHER

We
strive for
excellence.

We
keep raising
the bar.

We
are
committed
to quality.

M/s Lab-Line Enterprises was incepted way back in 1990 primarily as a trading company dealing in chemical & petrochemical products. It was founded by the extraordinary vision and sheer tenacity of Mr. Anup Nagpal.

Constantly evolving, the Group has moved from pillar to post by reinventing and expanding its business verticals. Today, the firm has become a leading trading house for all kinds of Polymers, Rubber Chemicals and Solvents. Today, we deal in renowned brands like Lord, Lanxess, RheinChemie, Payal, Wacker and many more.

The driving force behind the organisation's immense success has been adhering to the credo of never compromising on Quality. We support our customers and partners in transforming their businesses by ensuring that everything is done Right the first time around and continually work to create a better future everyday!

ANUP NAGPAL

Founder and Chief Executive

Anup Nagpal holds a Bachelor of Science degree with specialisation in Chemistry. He founded the organisation in year 1990 with a desire to provide best in class chemicals and services to growing local industry of Delhi-NCR.

With his clear vision and innovative ideas, the organisation expanded in various sectors and also grew its customer base across India. Known for his great problem solving skills and approachable nature, he is the go-to person for everyone in the organisation for all kinds of business and personal problems.

AMAN DEEP NAGPAL

Marketing and Operations Executive

Aman Deep Nagpal is a Post-Graduate in Rubber Technology from Indian Rubber Institute, Delhi. He also holds a Bachelor's degree in Chemical Engineering from the Institute of Chemical Technology, Mumbai (formerly known as UDCT, Bombay).

He joined the organisation in 2017 with a vigour to take the organisation to the next level. The organisation benefits from his technical know-how. He has introduced several new high specialty products. He is also responsible for digitalisation of the organisation.

His ingenious ideas and techno-commercial skills are bound to help the organisation grow.

We take pride in our highly focused and professional staff. Our Lab-Line Parivaar includes thoroughly trained personnel having years of experience in their domain.

The workforce includes personnel in Marketing, Procurement, Accounts, Finance, Dispatch and Stores departments.

Our Principals

LORID

DU PONT®

WACKER

LANXESS
Energizing Chemistry

RheinChemie
Additives

 **Clariant**

Godrej

HUNTSMAN

All the Logos are registered trademarks of respective companies.

Wide Product Range

Our customers enjoy an array of more than 200 products for Rubber Industry under one roof.

Warehousing and Storage

A fully equipped 9000sq ft warehouse in the centre of the Faridabad Industrial Area helps us in working efficiently.

Timely Deliveries

We fulfil 5000+ orders annually in a timely manner.

PAN India Operations

With tie-ups with all major logistics operators and courier services, we successfully operate on PAN India basis.

IRM Testing Oils (IRM 901, 902, 903)

Fuels A, B, C, D

Coupling Agents: Si69, VTMO, Glymo

Conductive Carbon (Cabot, USA)

Mould Cleaning Solution

Anti Tack Agent

Peptizer

Mandrel/Hose Release Agent

Mc Lube 1805A

MC Sulphur (Coated Sulphur)

Calcium Stearate (Stabilizer)

Zinc Stearate (Anti-Tack powder)

Calcium Oxide (made in UK)

TAC, TAIC (Co-agents for peroxide curing)

Chlorinated Poly Ethylene (CPE-135A)

Accelerators

- Calcium Hydroxide
- CBS
- DOTG
- DPG
- DPTT
- DTDM
- EPDM Cure
- ETU, Na-22
- F Powder
- MBT
- MBTS
- MGO- Magnesium Oxide
- PVI
- Sodium & Potassium Stearate
- Stearic Acid- Wonder, Godrej
- TBBS
- TMTD (TMT)
- TMTM
- ZDBC
- ZDEC / ZDC
- Zinc Oxide (Acitve & White Seal)

Anti-Oxidants

- IPPD / 4010
- 6PPD / 4020 / ZC
- BHT
- MBI
- Naugard 445
- OCD / ODPS
- SP Oil
- TMQ / TDQ / TQ / HSL

Processing Aids & Waxes

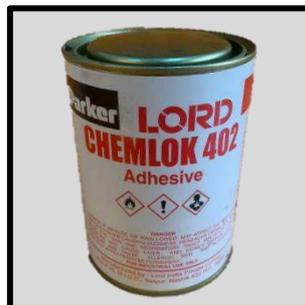

- Antilux
- Carnauba Wax
- Finawax O (Finaslip O)
- PE Wax AC-617 (Honeywell)
- MC Wax , Paraffin Wax
- Aflux 12, Aflux 16, Aflux 42M
- Rubaid 16, Rubaid 222
- WB-222 (Struktol, Germany)

Adhesives

We offer a large variety of elastomer to metal adhesives. We also offer the diluting agents for these adhesives.

- Chemlok 205
- Chemlok 220 LF
- Chemlok 6150
- Chemlok 6108
- Chemlok TS 1677-13HS
- Chemlok 607
- Chemlok 608
- Chemlok 218
- Chemlok 402
- Chemlok 202A & B
- Chemlok 5151
- Irodur E-462
- Thinners and Diluents

Chemlok®

We believe in a colorful world and do our bit by providing best quality colors and pigments to the Rubber Industry. All the colors and pigments are available in small, easy to handle and user friendly packing sizes.

- **BLUE CBR**
- **BLACK 400R**
- **GREEN GNX**
- **YELLOW GR**
- **RED LC**
- **ORANGE G**
- Red Oxide
- Yellow Oxide
- Titanium Dioxide : Rutile & Anatase

**** Available in
500grams packing
also**

Fillers, Fire Retardants & Blowing Agents

Fillers

MT Carbon N-990
Ppt Silica
Barytes
Litharge
Aerosil 200
China Clay (3star)
Aluminum Silicate
Minusil (Filler for Silicon Rubber)
Calcium Carbonate

Fire Retardants

Antimony Trioxide- ATO
Magnesium Hydroxide
Magnesium Carbonate
Zinc Borate
Aluminium Trihydrate – ATH
Chlorinated Paraffin Wax – CPW

Blowing Agents

BN
OBSH
ADCL

* This is a pictorial representation. Actual product may differ from the picture

Resins

CI Resin (Made in Japan)
PF Resin
Petroleum Resin
TP-90
Wood Rosin/Broza (Indonesia)

Plasticizers

DOP, DBP
DINP
DOA
DOS
Vulkanol FH
TOTM
TP-95

Factices

Brown Factice
White Factice
Sona A (Golden Factice)

Peroxide Curing Agents

DCP-98, DCP-40
DCBP Paste (PD-50)
Perkadox 14-40 / F-40 (Smell-less Curing)
Luperox 101 / Trigonox 101 (Food Grade)

Rubber Processing

DEG, PEG 400, PEG 4000
Naphthenic Oil
Aromatic Oil (RPO 710)
Paraffinic Oil (RPO 245)
Petroleum Jelly
Silicon Oil (350, 1000 CST)
Silicon Emulsion

Reclaim and Crumb

Reclaim: Natural (HR Grade)
Neoprene Crumb (Mesh: 80)
Natural Crumb Mesh: 40)
EPDM Crumb (Mesh: 80)
Coated Nitrile Crumb (Make: GRP, 80Mesh)

We are trusted rubber retailers with a huge range of rubbers under one roof. We deal in the following rubbers and polymers:

- HNBR Rubber
- Viton Rubber
- Polyacrylic Rubber
- Neoprene Rubber (B-30)
- CSM - Hyplon
- Natural Rubber PLC, 1-X, 4, 5 Good Lot
- Butyl Rubber
- EPDM
- Nitrile
- Poly Butadiene Rubber (PBR)
- HSR Rubber – 1958 Rubber

All polymers also available in retail packing for R&D purposes

Bulk Chemicals

We deal in a vast variety of Bulk Chemicals. Our quality bulk chemicals are a produce of big names like BPCL, HPCL and IOCL to name a few. These bulk chemicals are used in paint industry, printing/ink industry, soap industry, Home Care Industry, Wellness Industry and many more similar industries.

Our Bulk Chemicals Include:

- Ethyl Acetate
- Butyl Acetate
- MIBK, MEK
- IPA
- Acetone
- Toluene
- Xylene
- Octanol
- Defoamers
- Acids
- Pine Oil
- Various thinners and reducers
- Home Care Chemicals
- Wellness Chemicals

Available Packing Sizes*:

1 litre

5 litre

35 litre

200 litre
